Rules, Regulations & Waiver:

INJURIES & ILLNESS: At *Wonago Play? Doggy Daycare and Pet Boarding*, we strive to provide your dog with excellent care and a fun experience during their stay. Although animals are supervised at all times, injuries can still occur while dogs are playing together such as scratches, cuts or sprained joints. Such injuries are rare, but they happen at all doggy daycares. In addition, while infrequent, dogs can get into fights, even under close supervision. Common areas for bites as a result of these fights are the snout, ears, tuft of the neck and paws. At *Wonago Play? Doggy Daycare and Pet Boarding*, we have procedures to screen dogs for aggressive behavior and we do not allow aggressive dogs to play with other dogs. However, even the friendliest of dogs can get into fights with very little or no warning. In addition to injuries, it is possible for dogs to transfer illness such as upper respiratory infections like kennel cough, even with the required vaccinations and boosters. This is just like at a daycare for children where illness such as pink eye and the flu can be transferred from one child to another. Such illnesses do not occur often and all dogs must have the necessary vaccinations to check-in.

AGE & GENDER: Dogs of all ages are allowed at *Wonago Play? Doggy Daycare and Pet Boarding* as long as they meet the facility's criteria of vaccinations. All dogs participating in doggie daycare must be spayed or neutered if over 8 months of age.

LATE PICKUP: I understand if I do not pick up my dog by 6:15 PM, my dog will be transferred to our pet lodging area for an overnight stay, and I will be charged accordingly.
